Coronavirus Update

As a result of the U.K. government decision to formally close schools, we have decided to make PhonicsPlay free to use during this period. Children can use the site at home without their parents needing to subscribe. To access our resources all you need to do is log on using the following details:

Username: **march20** Password: **home**

We are currently very close to completing a new version of the PhonicsPlay site that is accessible on all phones and tablets. We will therefore also ensure that it is possible for users to freely access this new version of the site (with apologies in advance for any areas of the site that are not yet fully finished or double checked). The site can be accessed here: www.phonicsplay.co.uk.

Our aim to ensure that existing subscribers aren't disadvantaged and will seek to make sure that after the school closures are over and the site returns to normal, that existing subscribers have additional time added to their subscription.

If you haven't already discovered www.phonicsplay.comics.co.uk, you may also find these free decodable comics useful at a time when you can't physically engage your child's decodable reading books.

We wish you good health and all the very best at this stressful time.

Weekly Reading Tasks (Aim to do 1 per day)

*Read a variety of books at home. Your child's favourite books can be repeated. Hearing the patterns of language in a story will support your child's language development.

Listen to Audio books

Stories help.

They entertain. They teach. They keep young minds active, alert, and engaged.

For as long as schools are closed, we're open. Starting today, kids everywhere can instantly stream an incredible collection of stories, including titles across six different languages, that will help them continue dreaming, learning, and just being kids.

All stories are free to stream on your desktop, laptop, phone or tablet.
